# OF INTEREST TO INVESTORS

London market prices show declines diton of the market. It is not believed,

ests, for all the stock it may get.

Private London cables say the mardisturbs general confidence.

About a month ago two stock exchange houses were advised by leading bankers by these two houses, it is said, that aused the weakness in the market the past week. One of these firms bought Baltimore and Ohio last summer at 118, New York Central at 168, Louisville and Nashville at 158, Pennsylvania at 169. Northwestern at 265, and Colorado Fuel and Iron at 110.

One prominent insurance company put \$1,000,000 into St. Paul common this be hard to convince that the price is not week, and \$1,000,000 into Pennsylvania. Sellers of last summer are now the buy

There was selling by foreign house this morning. Germany renewed its liquidation.

The market presents a shaky appearend of the movement.

It is reported that Standard Oil interests bought great blocks of stock at the opening.

The banks lost to the subtreasury yesday have lost \$1,812,000.

been made by a committee of represen- crease. tative New York banks. This committee is convinced that the foundations are

Something that cannot be reasoned the prospect of our liquidating foreign obligations in this prime source of foreign exchange, instead of in gold. Doubtless if cotton cannot be had cheaply the price must be paid, but Englishmen will artificial, and they will redouble their efforts to make themselves independent of a market where such tricks are played with customers.

Attention has been called to a published article comparing the price of United States Steel with the price of Amalgamated Copper. This declares that figance. This is one of the signs of the uring on the same basis, with the present dividends in comparison, the price of Steel should be 128, and on the price of Copper should be 17. These comparisons were made with the price of Steel selling at 34 and Copper selling at 64, at which figure they were paying 11.76 per cent and 3.12 per cent respectively. Since terday about \$600,000 and since last Fri- then the price of Steel has declined from 34 to 30 and Copper from 64 to 52, and from an investment standpoint it cer-A representative of the National City tainly looks as if Steel were cheap.
